Press Release

TESTEX at the APLF Leather & Materials+

APLF is the world's leading leather trade show, where material trends, tanneries and machinery suppliers come together.

The well-established APLF Leather sector boasts a huge range of all sorts of leather, including sustainable, luxury and exotic leathers and processing chemicals.

Besides the APLF Leather sector, there is a separate sector named "APLF Materials+" to showcase a wide spectrum of bonded materials, synthetic materials, shoe components, fashion hardware & accessories, manufacturing equipment and advanced technologies.

TESTEX will be on scene as the official OEKO-TEX® representative in China. We are promoting sustainability, social responsibility and supply chain enrichment.

Come visit us at the Convention & Exhibition Centre in Hong Kong in booth 1A-A13 between the 29th and 31st of March!

Don't miss our presentation "Energize the World's Oldest Material with a New Marketing Message" by Carola Grummt, Head of Business Development / Product Management OEKO-TEX® on the 30th of March 2017 from 14:30 - 15:30!
